

THE ULTIMATE COURSE GUIDE

ABOUT JACKAL CREEK GOLF ESTATE

Jackal Creek Golf Club, part of the Jackal Creek Golf Estate, opened its tees, fairways, and greens to the Johannesburg golfing community in March, 2010. Situated in the northern suburb of Honeydew, Johannesburg, the Jackal Creek Golf Estate delivers a unique concept in estate living, combining modern apartment living within the wide open spaces provided by the golf estate.

Designed by the DDV Design Group, the championships golf course at Jackal Creek represents a challenging yet vigourating layout.

The course allows golfers great visual reward as they pit their talents against this thoroughly modern and exciting course.

Jackal Creek is also characterized by winding fairways and strategically placed bunkers that demand good ball management to achieve the best results.

The Pro Shop at Jackal Creek managed and run by renowned and well respected Touring Pros, Ashley and Letitia Roestoff, is stocked with a variety of branded apparel and equipment to cater for all golfing needs.

The high tech teaching academy at Jackal Creek offers a unique and specialised teaching experience, including: Flight Scope, junior clinics, group lessons and on-course one-on-

one tuition.

The academy is headed up by renowned Touring Pros Hendrik Buhrmann and Ashley Roestoff.

The clubhouse at Jackal Creek embodies a creativity and willingness to be different that has been carried through into its contemporary design.

This has, without doubt, created the only clubhouse of its kind in South Africa.

Facilities include a spectacular restaurant and bar that extends to a balcony overlooking the 18th green.

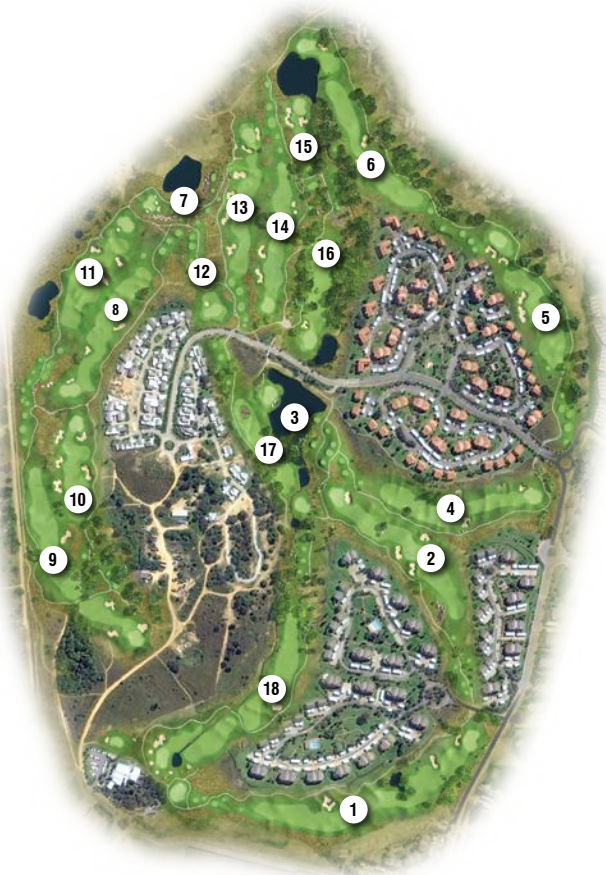

Only at Jackal Creek Golf Estate can you enjoy a hybrid lifestyle of urban cool apartment and premier golf course living in something we like to call, "Modern Golf Estate Living". This is defined by world class security for peace of mind, urban chic apartment and cluster design, lock up and go living, zero garden maintenance and 164 hectares of open space!

And, to complete these world class facilities Jackal Creek provides a gym, squash and tennis courts and running paths to help you keep fit and active without leaving the comfort of the estate.

JACKAL CREEK COURSE AERIAL OVERVIEW

1

558

542

505**476**

SCORE

Par 5 • Stroke 2

Relax and breathe in deeply. This is a tough start to this fun and exciting course. Keep it straight off the tee to avoid hazards on both sides of the hole. Stay clear of the sluit which runs across the fairways with your second shot. It is advisable to take an extra club on your approach shot as it is uphill.

4

409**382****365****331**

SCORE

Par 4 • Stroke 4

This uphill tee shot will make this hole play slightly longer than it is. Favour the right side of the fairway to give yourself an open shot into the green. Usually a long second shot, aim at the centre of the green. Par on this hole is a good score for most.

5

398**376****313****259**

SCORE

Par 4 • Stroke 8

Aim towards the right hand side of this fairway to avoid the punishing bunkers to the left of the fairway. Be careful not to land in the cemetery as it is demarcated as out of bounds. This green is large, so be brave and aim for the flag.

6

494

480

426

389

SCORE

Par 5 • Stroke 16

Take a long iron or hybrid off this tee and aim down the middle of the fairway. One could safely play this as a three shot hole as there is not much room for error. Using a driver off the tee is very risky though it may pay off for some. Favour the right hand side of the green to avoid the water hazard which protects the left hand side. Play this hole wisely and you may walk off with a birdie.

7

128

119

109

66

SCORE

Par 3 • Stroke 12

This mid iron par 3 tee shot requires an accurate shot to be aimed to the middle of the green. Don't let the open water intimidate you as this shouldn't come into play. Any missed approach shots will result in a difficult up and down par save.

9

508**502****459****434**

SCORE

Par 5 • Stroke 18

Hitting the fairway on this uphill par 5 is of most importance. Don't let the out of bounds to the right distract you. Be aware of the many bunkers that protect the green. This is a long par 5 for the average player, so be wise when playing each shot.

10

375**355****301****285**

SCORE

Par 4 • Stroke 17

This driveable par 4 has plenty of risk and reward involved. There is a large swale area short right of the green. An iron is recommended off the tee to leave you with a short-mid iron into the green which will set you up with a good birdie chance.

SCORE

Par 4 • Stroke 15

Tee it high and let it fly, this tee shot will get plenty of hang time. Keep it straight or suffer the consequence of an awkward approach shot. This green slopes away from you and there is no room for error if you over club your approach shot. There is a run-up area which you can use to get it onto the green.

12

163

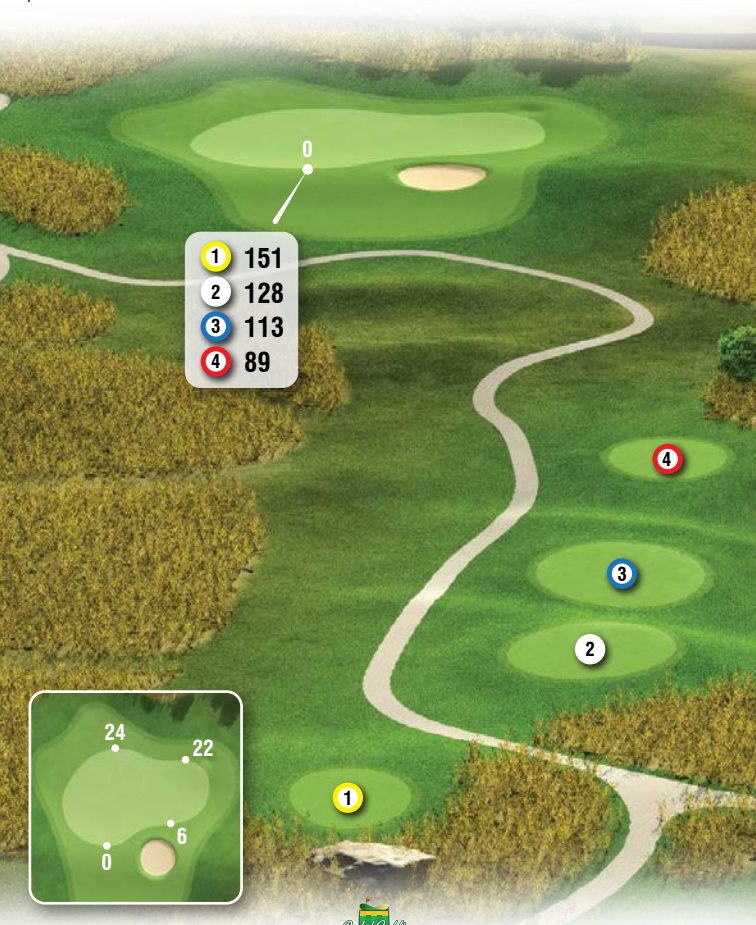

141

129**103**

SCORE

Par 3 • Stroke 7

This uphill par 3 may play tougher than it should be if you miss the green. Take advantage of this birdie opportunity par 3.

13

353**340****294****277**

SCORE

Par 4 • Stroke 13

This downhill par 4 requires a well placed tee shot, to be played with a long iron or hybrid. Any wayward shots will be punished as there is no room for error. The club selection for approach shots is key as this hole plays downhill and any shots off target will be costly for the player.

15

203

177

166**144**

SCORE

Par 3 • Stroke 5

This green is surrounded by hazards with water both to the right and behind the green and bunkers on the left and in front of the green. Aim for the centre of the green and select your club wisely.

16

354**305****261****248**

SCORE

Par 4 • Stroke 11

This fairly blind tee shot is not as tough as it seems as it opens up a little bit to the right. An iron is needed off the tee for position. Once on the fairway, a good approach shot should lead to a good birdie opportunity.

17

335

314

296**266**

SCORE

Par 4 • Stroke 9

Leave the driver in the bag and instead use a long iron or a hybrid in order to hit the fairway. Position is important on this hole as it will produce a slightly easier approach shot into this semi island green. Rather aim for the heat of the green to avoid any costly mistakes.
